Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Rear single storey extension
13 Gossamer Lane Aldwick

Thank you for your internet representation made on 16th April 2019 which has been recorded as '**an objection**' with the comments as follows:

Dear Amber Willard,

I have a three objections to this application as it stands.

1) Four of the seven roof windows (those on the North-West elevation) will face onto my garden and I fear loss of privacy, either from being overheard or from being overlook. It is not clear whether these windows will be skylight or opening windows. Either way, access to cleaning would have to be via my garden. I feel the plan would be more neighbour friendly if all roof windows were to be just on the South-East elevation.

2) The block plan shows 3 cm clearance from my own ground floor extension and it is not clear what provision for guttering, down-pipes and run-off have been considered.

3) The apex of the proposed extension roof will be much higher than the existing garage roof causing lost of morning light from my garden.

*Yours sincerely,
Paul Dorrell*
