We wish to extend to the front of the property approximately 2 meters further than the existing approved drawing

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We wish to submit revised ground floor plan. New proposal is to extend further at the front of the property and no longer build out at the rear. This proposal is approximately 2.5 meters further towards the front of the property than the existing approval.

As we are looking to change by more than 1 meter, we are applying for a variation of a condition.(which I hope we have interpreted correctly)

Details of the pre-application advice received

Discussed the need for a "Variation of Condition" as we are making no other charges except to the floor plan on the ground floor. We are looking to increase the size of the rooms at the front of the house by approx 2.5 meters.

We were advised this was the way to proceed. (approx 2pm on 9th March telephone discussion)

Also discussed with another planning agent where to find this Variation, and were advised to start a new application and select the type as Variation.
