

PROPOSED WORKS : Rear ground floor extension with balcony above and internal alterations.

3 Bay Walk, Aldwick, Bognor Regis, West Sussex, PO21 4ET.

1.0 Biodiversity Enhancement Statement

- 1.1 The development that the application seeks permission for a rear single storey extension with balcony above and internal alterations.
- 1.2 To show a biodiversity enhancement for the site, we propose the siting of a new bird box, fixed to the existing building to attract nesting birds – similar to that shown below:-

Picture – Bird box fitted to wall.
