Thanks Gary

That was my assumption and can see the point. However, I believe the application form, description and site plan will need to change as the current application only has No.12 as the site and it will need to be No. 12 and 10. Also my understanding that if you submit the application you will need to serve notice on the occupiers of No.10 and sign certificate B. Forms are on the planning portal which you used to submit the application.

In this case we will also need to re advertise with the new details.

I am on leave until 26 February but will e mail the relevant team leader to confirm the above and the best approach to correcting the application.

Kind regards

Mark

Hi Mark

The roof at no. 10 is currently flat.

We are proposing a pitched roof across both properties in the application to enhance the appearance of both properties.

Dear Mrs Smith

I am the case officer for your application.

Can you confirm if the new roof over the garage at No.10 is part of the current application.

Thank you

Mark Jones
