Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the application as valid until the following matters are resolved:-

The fee deposited with your application is incorrect. I suggest it should be £548.00. This would attract an additional fee of £276.00. I would be grateful if you would either make payment on line at <https://www1.arun.gov.uk/make-a-payment/start> or forward a cheque made payable to Arun District Council for this amount to me as soon as possible. If you make the payment online, please forward a copy of the fee receipt, so that the payment can be quickly linked to your application. Please note we cannot accept cash.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **29th May 2026**. If this information is not received by this date, I will close the file as incomplete and where a fee has been paid, will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. Once closed, if you wish to continue you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
