To register to receive notification of planning applications in your area please go to www.arun.gov.uk/planning and click on Local Planning Application Finder

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Sir/Madam

We are alarmed that the above planning application simply states a 2 storey side extension when in fact it is a 2 storey side extension **plus a loft conversion with a dormer roof and a substantial number of windows**. This is a substantial redevelopment application to change a residential 4 bedroom home into an 9 bedroom dwelling.

The orange form on the telegraph pole in Barrack Lane along with the title on the planning application is extremely misleading. Can you please redefine this in order to alert residents and interested parties to the application for substantial redevelopment in this quiet family residential area.

Thank you

Regards

Maxine Harcourt-Kelly MA, BA (Hons), DipWSET
