Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/81/21/HH
Site Address: 2 Old Farm Close Aldwick PO21 4AX
Description of works: Two storey extension.

Thank you for your internet representation made on 1st May 2021 which has been recorded as an objection with the comments as follows:

OWPC35657

Old Farm Close and the whole of the Grange Park estate has been designed to give uniformity across the houses and whilst some have been modified, they have all retained their original character. The proposed plan would detract from this, changing the look and feel of the Close. No other houses of this style in the area have been modified to this extent.

In addition to this, there is insufficient parking to accommodate a property of this size in the Close, as there are only 2 proposed off street parking spaces for the 9 bedroom property, and very limited on street parking available.

The proposed development would also cause a loss of privacy for several properties in Old Farm Close and the houses on the truncated section of Barrack Lane to the rear of the property.

Whilst I sympathise with the need to care for a relative, a development of this size seems excessive in order to achieve this.
