

**PRIOR NOTIFICATION OF
WORKS TO TREE(S) IN A
CONSERVATION AREA**

Trees & Country Planning Planning Act 1990 (as amended) (L171000)

Arundel District Council Planning Department ARB2177C
100 The Forestry Avenue

The planning rules and other documents contained on the website on the Council's website (www.arundel.gov.uk) apply to all works to trees in a Conservation Area. The Council will consider any application for works to trees in a Conservation Area on the basis of the information provided on the application form and the information on the website. The Council will also consider any other information that it may receive from the public or other sources.

Any work to trees in a Conservation Area must be notified to the Council in writing at least 21 days before the work is carried out. The Council will consider any application for works to trees in a Conservation Area on the basis of the information provided on the application form and the information on the website. The Council will also consider any other information that it may receive from the public or other sources.

It is an offence under the Planning Act 1990 to carry out any work to trees in a Conservation Area without the Council's consent. The Council will consider any application for works to trees in a Conservation Area on the basis of the information provided on the application form and the information on the website. The Council will also consider any other information that it may receive from the public or other sources.

For further information, please contact the Council's Planning Department on 01243 777777 or email planning@arundel.gov.uk.
