Mr Butcher,

It has been brought to our attention that the detail of the rear of no. 15 Downing Close is not drawn correctly, and so the implied 45 degree rule, as indicated by your 45 degree line appears, would not be applied correctly.

I would appreciate it if you could reply of acknowledgment. And I attach the illustration which the neighbour questions.

Please note this information is given without prejudice and represents the informal view of the officer and not an official opinion of Arun District Council.
