Dear Mr Denton

Following receipt of your email I write to accept the proposed changes to our application and are happy for you to amend this.

Having read the Arboriculturist's report, however, I disagree with the Applicant's Reasons which are stated. I have not requested this work to be done due to the proximity of the house. It is purely down to numerous complaints from neighbours at No. 6 about the shading to their property and I feel that pruning to a maximum of 1m will not be acceptable to them as they have specifically told us they would prefer the tree to be removed, which we have informed them will not happen.

Are we able to use the Report as evidence that the tree is sound and therefore felling is not an option, which I hasten to add is not wanted by us at all?

Many thanks

Dear Mr Thompson,

I have just received comments from our Arboriculturalist regarding your application for works to a TPO'd tree at 5 The Hopgarton, Aldwick.

As it stands, the application is going to be refused, however, the Arboriculturalist has recommended amended works as follows:

- I suggest that the applicant re-submits seeking overall height and lateral spread crown reduction by a maximum of 1m with no cuts over 60mm diameter being made and all final cuts made in accordance with BS3998 guidelines adjacent to a living bud or lateral branch.

Do you accept the change of proposed works?

Please reply within a week so I can change this for you.

Yours sincerely,

Zac Denton
