Dear Mr Ladd,

I have noted your request to have the CLE withdrawn and will get this actioned right away.

Yes please do re-attach all the required information; without it the application can not be registered.

Kind regards,
Kathryn

Hi Kathryn

Thank you for sending over the new form which I will complete and return to you by the morning.

I will therefore have to withdraw the current application as it would seem to be no longer applicable??

Can you please let me know if I have to attach again all the necessary drawings/structural info? As you already have everything.

Once you have received the new form can you please let me know it is all present and correct this time as I certainly do want to go through this again!!

Kindest regards

Tony Ladd

Dear Mr Ladd,

I attach beneath the link to the correct form and guidance for completing the application.

I have now spoken with the validation team and unfortunately they will not be able to transfer the fee or application to the correct type. In order to gain an approval you will need to resubmit the correct forms and repay a fee. The application will be subject to another period of time whilst a decision is made, however it doesn't have to undergo any consultations so that should minimise the delay. I will request the application is registered under my name and do my best to turn it around in the shortest time possible for you.

I would be grateful if you could confirm that you wish for the existing application to be withdrawn otherwise I will have to produce a refusal for it.

Many thanks,

Kathryn Welch
