Hello Andrew and Martin

We hope you are both well.

Please find attached our revised proposal for our planning application AW/85/18/HH.

As you can see from our notes, we believe we have addressed and reconciled the areas we discussed with you in our meeting earlier this month.

We have submitted two sets of drawings:

WHITWORTH_AW_85_18_HH_54_Kingsway_28062018_v1 and

WHITWORTH_AW_85_18_HH_54_Kingsway_28062018_v2

WHITWORTH_AW_85_18_HH_54_Kingsway_28062018_v1 embodies the revisions we discussed at our meeting, and we feel this will have the best chance of being formally approved.

WHITWORTH_AW_85_18_HH_54_Kingsway_28062018_v2 is a variation on our previous proposal with the asymmetrical chalet roof, but this time featuring a mono-pitched roof.

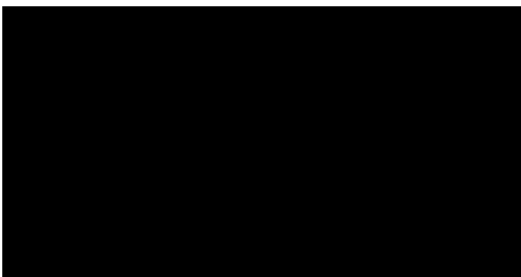

While we prefer the look and feel of this extension over the more traditional hipped-roof extension, we fully appreciate that its mono-pitch roof is more likely to attract objections. However, we would appreciate your feedback on this alternative, and whether you believe it likely to gain planning approval.

If you could let us know by return email that you have received and read this email, we would be much obliged.

We look forward to hearing from you at your earliest convenience.

Ben and Anna Whitworth
