Good morning Susan

Sorry for the delay in replying, but I have been sorting out our Minutes from last night's planning meeting.

I can confirm that the statement you are proposing from our Parish Council is perfect. Thank you.

With kind regards.

Good morning, Alison

Thank you for the quick reply.

I just need to clarify the wording for the report, please can you let me know if I have the right consultation response, or edit accordingly.

My understanding is that the parish agreed to make *'No comment on the basis that although they felt the proposal was out of line and not in keeping with other houses in the area, they did not consider these sufficient grounds for objection'*.

Kind regards

Dear Ms Haley

Thank you for your email and apologies for the confusion. Unfortunately, on your system you have to either object or no objection before you can make your comment. At our Parish Council meeting in June, the Planning Committee felt that they were unable to comment on this application as they it was out of line and not in keeping with the rest of the houses in the locality. They felt that this was not sufficient reason to object and therefore agreed to stating no comment.

I hope that answers your questions, but if you have any queries, please do not hesitate to come back to me.

With kind regards.

Dear Ms Colban

Good afternoon

I am just writing up the report for AW/87/26/HH - 20 Oxford Drive, Bognor Regis and noted that the parish have submitted an objection to the application and then stated, 'no comment'.

I just wanted to check if there was a comment that the parish wished to submit before I complete the report.

Kind regards
