Dear Mr Rodwell,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: Monterey Cypress (T1)
Summary: remove selected secondary & tertiary branches low over the garden & Beach Close that in conjunction with the removal of significant dead & broken branches will increase height clearance over the road & garden; remove potential obstruction of the streetlight and improve the appearance of the tree when viewed from below but leave its overall form unchanged. The crown height and spread in all sectors will remain the same but the canopy will be raised to 4.5m-5m above ground level.
Details: (Letters refer to annotated attached images)
A - remove single descending branch at 6.5m on east side of trunk.
B - remove 2 small secondary descending branches from branch/stem extending to the north-east over the garden.
C - remove lowest secondary descending branch from branch/stem extending to the north-east over the garden.
D - remove branch from north side of trunk that crosses branch C; and the branch that descends close to the streetlight.
E - main ascending branch to the north-west over the road - remove the first branch from the fork of the lower half of the twin-stemmed branch and the next three very small branches.
F - remove the lowest descending branch from the main branch to the west over Beach Close.
G - ascending stem to the south - remove the lowest three descending secondary branches and two very small branches at the main branch union.
