YOUR REF AW/90/18/HH 8 MERTON CLOSE.

Dear Planners,

I object to this extension to a 2 storey rear extension & 1st floor extension to front & side. Because it is an over development. This property was extended already AW/12/92. and is going to be to change for such a small close.

This estate is an open plan estate.

This extension will ^{have an} adverse. overshadowing, overlooking or overbearing effect on neighbouring properties (Policy DEV 19)

And will be out of scale and will add additional parking to a small close.

This development should harmonise with the surrounding area and not take away,
