Thanks for the e-mail.

I apologise for the delay in determining your application.

As you are aware the application was being dealt with by Mr Bloomfield. He has left the employment of the Council and we have not yet been able to identify a replacement (we are due to interview tomorrow for a new temporary member of staff). All existing staff are carrying a high caseload and it has not so far been possible to reallocate the case to one of them.

I am unable to give a firm date for when you will have a decision on your application. If you have not heard from us within two weeks please contact me again. I apologise for the delay you are experiencing.
