

Design & Access Statement
22 The Drive AW/91/13/

Proposal

to build a brick wall with ornamental entrance gates.

Use

to detain animals

Amount

to provide a boundary treatment to harmonise with all adjoining entrances.

Layout

to follow the footprint of the existing entrance.

Scale

visual amenity compatible.

Landscaping

not applicable - nothing altered.

Appearance

A stylized brick wall with gates to match the general environment.

Access

the wall and gates follow the existing footprint and no variations are proposed.
