Dear Mr Brewster,

Planning Application Ref:AW/41/12T

Mrs Chapman has sent me a copy of your objection to the above planning application which I was very disappointed to see. The tree in question is huge and completely swamps my garden.

The criteria you quote might be fine for a tree in a wide open space or Hotham Park but we are talking about a small suburban rear garden and they ignore the preferences of the people living here,

An overhang of 5 metres which is what you suggest is far too extensive and I am writing to ask you to withdraw your objection and allow my application to proceed.

Yours faithfully

A Cheetham
