Subject: RE: AW/94/21/HH - 217 Manor Way, Aldwick

Dear Mr Sherman

I have attached a photo of the existing open porch which is constructed of deteriorating timber with a leaking flat lead roof.

The proposed replacement will again be open, no windows or doors.

Construction will be timber with a pitched tile roof and increased size.

I am anxious that we are still not being confused with an unrelated application because your addition to my proposal," that it may affect the character and appearance of the conservation area", was never understood. We are looking to improve.

Regards

Bob Barwell

Dear Mr Barwell,

I am looking over your application for a front porch at the above address. Please can you send me in some existing site photos as I wasn't able to undertake a site visit and I can't see the property on Google maps.

Also, please can you confirm the type of windows / doors / proposed materials for the proposal as it is quite hard to see clearly on my screen looking at the plans.

Thanks

Kind regards

Richard
