Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of land from agriculture for 3 No. travelling showpeople plots (Sui Generis) with associated storage barn, maintenance area, landscaping & infrastructure.

Arundel Acre Arundel Road Angmering

Thank you for your internet representation made on 18th August 2019 which has been recorded as '**an objection**' with the comments as follows:

With reference to the above planning application, I must object again on the grounds of road safety.

Dramatic increase in the number of vehicle movements, both commercial and from 3 residences using an acknowledged substandard / inadequate entrance, which can only increase the likelihood of conflict with other road users. Arundel Road's traffic flow continues to increase in line with housing developments to the south of the village.

Lack of safe crossing for pedestrians using the entrance, especially those who are mobility, visually or hearing impaired.

Risk to traffic using major trunk road (A27) and B2225 (Arundel Road) from potential encroachment of children's toys e.g balls, kites etc and the risk to children when retrieving same.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is

available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
