Hi, I have noted you have responded to Highways England. I am going to ask them to provide a definitive answer on the acceptability (or otherwise) of the proposals as they currently stand. I am still awaiting a WSCC response. The notice expires on the 6th December. I will make a decision on my recommendation in the following week. Therefore for an EoT are your clients comfortable with 12th December 2019.

Regards
Karl

Good morning Karl,

I was wondering if you have received any comments from WSCC and Highways England and if you have formed a view on the application?

I also wanted to ask by which date you might expect to make a decision, so we can agree a further extension of time.

Many thanks,

Joney

Good morning Karl,

Many thanks. Would you be so kind to let us know the date by which the consultation period ends and if Highways England and WSCC Highways team have been re-consulted?

Nic – many thanks for letting us know about this and let's hope it doesn't happen again.

All the best,

Joney
