Good afternoon

Please see attached a letter from Mr David Geary from DMG technical. He is an official ADIPS safety inspector for our industry and performs our maintenance and safety checks on our equipment and rides.

Kind regards
Nic Burrell

Dear Nic,

Regarding your application and suggested new sites, I consider it essential that a site such as, Arundel Acre, Arundel Road, Angmering BN16 4ET, should provide enough space, area and facilities for equipment to be maintained to a suitable standard, ensuring compliance with HSG175.

Yours sincerely,

David M. Geary
