Dear Mr Edwards,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: Fell 12 x Monterey Pines (Tree Area 1). Replanting of 12 x trees (to be agreed with Council) with the same area.
My Client MBNL, a joint venture between EE and Three, are responsible for providing the infrastructure for the new Emergency Services Network and will be utilising their existing sites in order to build this Network. Details of their commitment to this project can be found at the following link:
<https://www.gov.uk/government/publications/the-emergency-services-mobile-communications-programme/emergency-services-network#ee-coverage>. MBNL technicians have identified that these trees are causing an obstruction to their equipment and thereby affecting the coverage within the local area. The proposed reduction to these trees will restore full coverage to the network and ensure an efficient switch over from the current supplier of the Emergency Services Network (Airwave) to EE.
