Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: A/100/21/T
Site Address: Land to North of New Road Angmering
Description of works: Fell 12 No. Monterey Pine trees

Thank you for your internet representation made on 7th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37151

These trees are an integral part of the landscape of the area. As with Station Rd, Angmering and The Sea Estate, Rustington the Monterey Pines form a historical bond with our friends and allies in America, signifying our links to California and America at large. The beautiful sunsets we have are enhanced by the shadows cast by these majestic trees and effect fabulous memories for residents and tourists alike. Removing these trees will have detrimental effect on local tourism. And all that before considering the damage to the local environment. After all the damage done to provide a dual carriageway east of the station roundabout, someone has to make a stand before we totally destroy the local environment for our children. I object to the removal of these trees.

Your views as made above will be considered before the application is determined.
