Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: A/100/21/T
Site Address: Land to North of New Road Angmering
Description of works: Fell 12 No. Monterey Pine trees

Thank you for your internet representation made on 7th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37159

Recently there has been so many mature trees removed in the local area. We are in a climate emergency but this seems to have been ignored. When a large tree the size of these is removed you need to replace it with at least 10 new trees so this would mean planting 120 which I doubt will happen. Also the application isn't clear for the reason these need to be removed and therefore the application should be rejected.

Your views as made above will be considered before the application is determined.
