Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: A/100/21/T
Site Address: Land to North of New Road Angmering
Description of works: Fell 12 No. Monterey Pine trees

Thank you for your internet representation made on 8th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37236

The removal of trees such as these is unnecessary and is taking away natural habitat and beauty from an area that has lost countless trees in the recent past. Planting new ones will take far too long to adequately replace these even if they were a suitable type. What is the point of TPOs if developers can just ride roughshod over them? Stop this happening now or we will end up losing too many with all the development happening in Angmering.

Your views as made above will be considered before the application is determined.
