Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: A/100/21/T
Site Address: Land to North of New Road Angmering
Description of works: Fell 12 No. Monterey Pine trees

Thank you for your internet representation made on 24th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37721

The APC is against the felling of these trees and the loss to the environment, and it joins the wide spread objection to this application. It does not, however, have the professional or technical expertise to comment on the validity of the reason for the application. We also have no knowledge of the statutory or legal powers of the applicant. It is presumed that the ADC will be thoroughly looking into this and insisting that an alternative to the proposal is sought. We would ask for sight of the planning, technical and legal officer's report before commenting further.

On a general note we consider that this application should have been accompanied by a properly scaled drawing rather than the sketch provided.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for

it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
