Dear Mr Heap

Further to our recent telephone conversation, thank you for confirmation of the EOT until 15th September, I will update you if we receive the Arboricultural comments. If you do have more specific details of the materials, I would be grateful to receive them.

Your sincerely

Dear Mr Heap

Just to update you, I have now put my report through to the team leader. If they are in agreement with my recommendation for approval there will be a few pre commencement conditions proposed, details of materials, tree protection and details of improvements to secure biodiversity net gain.

Yours sincerely

Louise

I refer to our telephone conversation this morning.

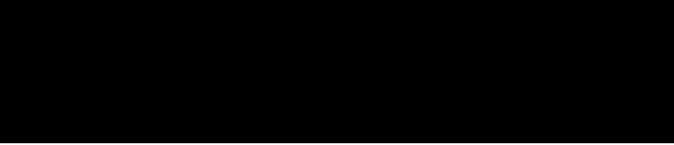

I forgot to ask if there will be any Planning conditions. I would prefer to not have any pre start conditions if possible. Pre occupation would be preferable if possible-or ideally none at all.

I look forward to your reply.

Kind Regards
