Dear Lynnyrd,

Thank you for forwarding Mark's comments. I've discussed this with our client and tree owner, Persimmon Homes, and can confirm that we are happy to omit the proposed felling of the fifth tree, T13, from the application in order to expediate the granting of consent to fell the other four trees. If the condition of T13 continues to decline, we will put a supplementary application in for its removal.

Please could you acknowledge receipt of this email and advise on likely timescales?

Kind regards,

Matt Jones *TechArborA*

Dear Mr Jones,

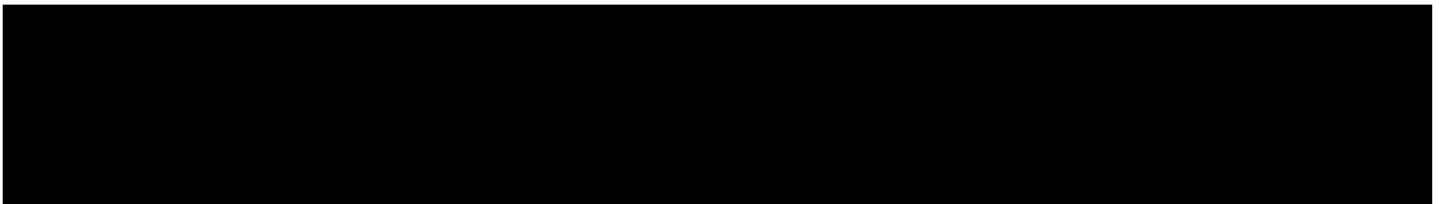

I am the case officer for this application (A/103/19/T) and am emailing you to inform you that I've had comments back from our tree officer, I have attached them above.

Currently the application is set to be refused. However, he has provided that works only commence on 4 of the Pine trees. The revised description would read.

'Fell 4 No. Monterey Pine trees'.

Please read through the Tree Officers comments and let me know if you agree to this revised description and I will write the report up to recommend approval.

Many Thanks
Lynnyrd
