Thanks for your help with this.

Legally, I do not think that you need to worry about taking instruction from us. Malcolm Simmonds was our agent and that agency has terminated on his resignation from our project due to his ill health. Please see the accompanying letters evidencing this.

In the circumstances, we also wish to withdraw planning application A/103/11. Thanks for pointing out that I had not referred to this.

Kind regards

Martina Blake (nee Asmar) and Peter Blake

Dear Mrs Blake,

I can confirm that based on the circumstances set out in your e-mail we are prepared to take instruction from you in regard to withdrawal of the application. However I note you have only referred to the listed building consent application A/104/11L. Do you also wish to withdraw the planning application A/103/11 too?

I refer to our planning application reference A/104/11/L being the application for Listed Building Consent for a new linked range at Pigeon House, High Street, Angmering, West Sussex, BN16 4AG.

Thank you for making the time available to speak to me on 18 November 2011. As I mentioned to you when we spoke, our architect, Malcolm Simmonds, is seriously ill. It appears that he has suspended his architect's practice and has cut off communication via email and telephone. I am therefore writing to notify you that my husband, Peter Blake, and I are herewith withdrawing the above planning application.

Consented Planning Application Reference A/48/11/L

Please note that we are continuing with the works detailed in consented planning and listed building application A/48/11/L at Pigeon House, Angmering.

As a result of Malcolm Simmonds suspending his practice, please could you communicate with us directly in relation to this from now on. I note from Arun District Council's website that our Building Regulations application reference A/145/11/BR in relation to this consented planning application states "Ex of Time". Do you need anything further from us in relation to this?

Kind regards
