Dear Sir

Re: Pigeon House, High Street, Angmering.

With reference to the above applications, both planning and listed, we support them fully. We have examined the submitted plans and have been shown round the site and consider the proposed new building to be extremely sympathetic to the existing Pigeon House and its immediate environment. In fact we feel that the proposal will materially enhance the existing site.

We therefore request that the application be granted.

Yours faithfully

Howard M. Lilly and Rebecca H. Lilly.

Dear Sir.

A/103/11.

I am aware that a planning application has been submitted by the owners of Pigeon House - The High Street - Angmering - I have had sight of these plans and am of the view that they are in keeping with the surrounding village environment.

At present this house is only used as a holiday home but Mr and Mrs Blake and their two young children wish to make Angmering their main home which would be of great advantage to the village.

I therefore hope that their application will be successful.

Yours faithfully.

We are writing to you with reference to the above application for listed building consent ("the Application"). We know Pigeon House very well, and Peter and Martina Blake have shown us their plans submitted with the Application.

We fully support their Application as we think the proposal realistic, and extremely sympathetic to the existing Pigeon House and the immediate environment. We strongly believe that their proposal will only enhance the existing site.

We would therefore request that the Application be granted.

Yours faithfully

Dear Sir,

Pigeon House, High Street, Angmering

I am writing in support of the above planning application. Mr and Mrs Blake have shown me around their property and shown me a copy of their plans for the new range. I think that the proposed range is in keeping with Pigeon House. Size wise, it is also proportionate with the current buildings. I am therefore supportive of the application.

Yours faithfully
