Dear Mrs Johnson

Further to our telephone conversation earlier today, I enclose the application form for the Reserved Matters Application as agreed. We will submit a separate application for discharging the conditions attached to the original outline consent very shortly.

I look forward to hearing that the application has been validated and the name of the office who will be handling the application. If you have any queries please let me know.

Kind regards

Mr Stoman,

I am currently working on validating the above application.

In your cover letter, you refer to 'Approval of Reserved Matters relating to layout, scale, appearance and landscape ...', however, you have submitted a Full Planning Application. I am unsure if you meant to put in a Reserved Matters application form or a Full Planning Permission form. Can you please confirm which application relates to this application?

Also, we are unable to discharge conditions on a planning application. To discharge the conditions on the outline permission, you will need to complete an application for Approval of Details Reserved by Condition and pay the required fee, whilst submitting the details so the conditions can be discharged.

If you have any questions, please let me know.

Thank you,
Mrs Johnson
