Comment from Greenspace

Further to submission of Landscape Plan SLD.856 Rev C and Tree and Shrub planting details SLD.856-01, I confirm that the information submitted does propose a suitable planting scheme of trees and shrubs with a mix of deciduous and evergreen species. The information has been submitted in plan form detailing species choice, numbers, densities and size at time of planting.

I would recommend to approve the landscape detail provided under this reserved matters application A/104/19/RES following outline consent A/178/17/OUT.
