Richard,

Please see attached tree officer comments. This relates to trees which are under Tree Preservation Orders. We require the matter to be resolved prior to determination of the application.

The original outline application A/178/19/OUT did not include Landscaping as a reserved matter and therefore the AMS and Tree Protection Plan were for information purposes only and did not form part of the approved plans condition 3.

Can you please provide the necessary arboricultural report set out in the comments attached.

Thank you,

Andrew Wood
