

Please see supplementary plans regarding tree issues.

Thank you,

Andrew Wood

Dear Andrew

I enclose an addendum to the arboricultural report which accompanied the outline application for the Crete Nurseries site, and seeks to provide the necessary information to address the concerns raised by the tree officer relating to the oak tree in the garden of the host dwelling and the line of hornbeams along the north boundary of the site.

I believe this is the last piece of outstanding information relating to the reserved matters application, but if there is anything else you require please let me know.

Kind regards

Richard Sloman BA, Dip Arch, RIBA

Begin forwarded message:

Dear Andrew

Thank you for the email below containing the tree officers comments – it does seem incredible that these comments should only arrive after the original determination date for the application. Nonetheless we will provide the required information in response and in order to do so agree to your request for an extension of time to the application until 22nd November 2019.

Kind regards

Richard Sloman BA, Dip Arch, RIBA

Richard,

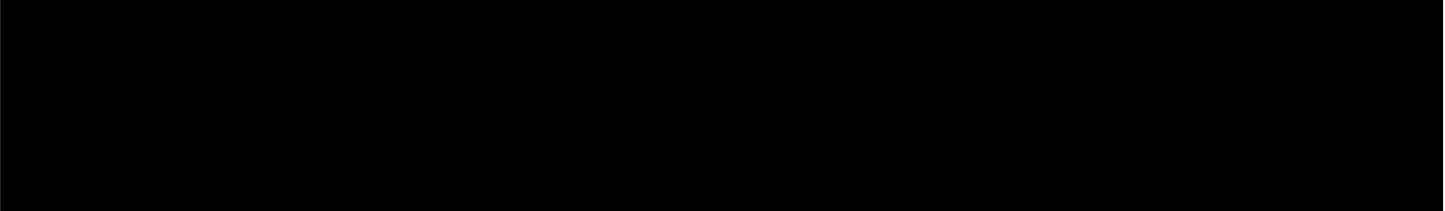

Please see attached tree officer comments. This relates to trees which are under Tree Preservation Orders. We require the matter to be resolved prior to determination of the application.

The original outline application A/178/19/OUT did not include Landscaping as a reserved matter and therefore the AMS and Tree Protection Plan were for information purposes only and did not form part of the approved plans condition 3.

Can you please provide the necessary arboricultural report set out in the comments attached.

Thank you,

Andrew Wood

Andrew

Please find attached my report for your consideration.

Regards,

Mark
