Dear Mr Lisher,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended) - Article 9

Application for a non material amendment following a grant of planning permission A/68/11/ to reduce floor plan area of proposed extension and amendments to window design on corner details and opening heights raised.
Cobbins Nursery, Hangleton Lane, Ferring,

I refer to your recent application for a Non Material Minor Amendment which I received on 12-08-2013. From the information submitted I am able to take the alterations set out below as a Non-Material Amendment to A/68/11, namely reduced floor area of extension measuring 7m x 7.5m, rather than 8m x 8m, alterations to window design on corner detail and raised heights of openings. Please note that drawing no. 2011/04/03 revB has therefore become the approved plan for planning application A/68/11.

I trust this information is of assistance to you.

Yours sincerely

Karl Roberts
Assistant Director Planning & Economic Regeneration
