

**STATUTORY DECLARATION  
RELATING TO MANOR NURSERY, HIGH STREET, ANGMERING, BN16 4AW**

I, Peter Stephen Everett, of Westbrooke Developments Limited of 17a Buckingham Road, Worthing, BN11 1TH solemnly and sincerely declare as follows:

1. My date of birth is 23<sup>rd</sup> January 1956.
2. I have been a commercial and operations manager at Westbrooke Developments Limited since September 2012. Westbrooke Developments is a property construction company based in Worthing and is instructed to undertake the construction work for the redevelopment of the above site.
3. I make this statutory declaration based on facts within my own knowledge except where otherwise stated.
4. This statutory declaration relates to Manor Nursery, High Street, Angmering, BN16 4AW (the "Site"), shown edged in red on the plan exhibited at PE1.

**PLANNING BACKGROUND**

5. Outline planning permission A/51/14/OUT was granted on 20 March 2015 by Arun District Council (the "Council") for the demolition of the existing Manor Nursery Garden Centre and hard standing and redevelopment for 32 dwellings with associated access, public open space and landscaping (the "Planning Permission"). Reserved Matters A/38/18/RES were approved on 13 December 2018 relating to the appearance, landscaping, layout and scale of the development ("Approval of Reserved Matters").
6. The Planning Permission was granted subject to a condition requiring the development to be begun either before the expiration of 5 years from the date of the permission, or before the expiration of 2 years from the date of approval of the last of the reserved matters, whichever is the later. In accordance with the Business and Planning Act 2020, as the Planning Permission would have expired on 12 December 2020, the time limit for implementing the Planning Permission was automatically extended to 1 May 2021. The extension was confirmed in writing by Arun District Council by way of letter dated 8 October 2020.

7. All pre-commencement conditions of the Planning Permission and Approval of Reserved Matters (together called the "Consents") have been discharged and satisfied in respect of the approved development.
8. I make this statement in the context of an application to the Council for a Lawful Development Certificate under section 192 of the Town and Country Planning Act 1990 to confirm that works to implement the Consents were undertaken prior to 1 May 2021.
9. I have been asked to confirm the facts which I am aware of from my knowledge of the Site, having been the commercial and operations manager responsible for overseeing the implementation works on the Site.

#### WORKS ON SITE

10. Westbrooke Developments Limited is the sister company of Roffey Homes Limited and has been involved with the project at this Site for 5 years. I have been familiar with the Site throughout that time. I first visited the site on 17<sup>th</sup> November 2020 to meet the site clearance contractor and plan the proposed works in preparation for implementation. I have been closely monitoring the recent works and visited the Site regularly in my capacity as an operations manager.
11. Westbrooke Developments Limited was instructed by Roffey Homes Limited on 4<sup>th</sup> February 2021 to commence implementation works and a copy of the initial instructing email is exhibited at PE2.
12. I confirm that the site clearance works commenced on Site on Wednesday 10<sup>th</sup> February 2021 and that the following works took place between Wednesday 10<sup>th</sup> February 2021 and Friday 12<sup>th</sup> March 2021:
  - a. site clearance works comprising lifting and crushing existing concrete slabs for use as granular fill material,
  - b. general site clearance,
  - c. demolition of existing structures, and
  - d. the clearance of trees, shrubs and undergrowth.
13. The above works are authorised by the Consents. I visited the Site on two to three occasions each week between 10<sup>th</sup> February 2021 until completion of the works and took a number of photographs of the works during this period.
14. I now produce the following exhibits to set out the nature and extent of the works undertaken:

- a. Exhibit PE3 - invoice received from the clearance contractor showing the cost of the works;
- b. Exhibit PE4 - photographs that I took myself of the works at the Site, which I confirm are the works at the Site detailed above undertaken between February and March 2021; and
- c. Exhibit PE5: waste transfer notes evidencing waste materials that were removed from the Site during the site clearance works which include the Asbestos waste transfer note, mixed waste transfer note and green waste transfer note.

15. The clearance works were completed on 12<sup>th</sup> February 2021. I produce at Exhibit PE6 a photograph of the site fully cleared in implementation of the Consents.

And I make this solemn declaration conscientiously believing the same to be true by virtue of the Statutory Declarations Act 1835.

Declared by the Said Peter Stephen Everett.
