Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/105/22/HH
Site Address: 14 Merryfield Crescent Angmering BN16 4DA
Description of works: Single Storey Front infill Extension.

Thank you for your internet representation made on 24th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48426

This proposed extension does not fit in aesthetically with similar houses in Merryfield Crescent. No building extensions that alter the external appearance to the front of houses have been permitted. The result is that within the street, you have 'blocks' of houses that are very similar in appearance, and this is one of the very appealing and desirable features of Merryfield Crescent.

If changes are allowed that aesthetically change the street appearance of a house so that it no longer matches the other similar type of houses within Merryfield, then I would foresee a change in the appeal to live in Merryfield Crescent and a resulting loss in the value of our homes.

In addition, once one house is granted permission to change the street appearance, then potentially others will follow, and you will end up with a street view that has no uniformity. This will only add to the devaluation of homes in the street.

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
