Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/105/22/HH
Site Address: 14 Merryfield Crescent Angmering BN16 4DA
Description of works: Single Storey Front infill Extension.

Thank you for your internet representation made on 24th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48432

I only recently purchased my property, and one of the reasons for doing so was the neat, orderly appearance of Merryfield Crescent. Allowing individual properties within the street to make extensions to the front of their dwellings takes away from this appearance, and this will ultimately take away from the appealing nature of the street.

I am aware of a previous planning application for 5 Merryfield Crescent that was denied on the grounds that it would have an impact on the visual appearance of Merryfield Crescent. This proposed extension would have the same effect.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at [:https://www.arun.gov.uk/what-happens-next](https://www.arun.gov.uk/what-happens-next).

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
