Dear Sir/Madam,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) -
Article 10**

Application No: A/106/26/NMA
Site Address: Sports Pavilion Decoy Drive Angmering BN16 4DN
Description of works: Non material amendment following the grant of A/159/25/PL relating to rewording of condition 8.

Thank you for your internet representation made on 10th August 2026 which has been recorded as an objection with the comments as follows:

OWPC85852

I am concerned that this temporary location of the cricket pitch has no declared end date, It is my understanding that the land to the north of the existing Recreation ground on which the new cricket pitch was originally to be located, does not yet belong to Arun District council and it is also my belief that there is no budget or plan as to the time scale as to when possession of this land and the developement for recreation to include the cricket pitch will take place . I would submit that without a declared time scale for the temporary location of the cricket pitch , this is contrary to the planning condition that prohibits any works commencing that prevents cricket being played . I would therefore object to this application on the grounds that without a firm date in writing for the return of cricket to Palmer road this application flies even in the face of the spirit of the original planning condition
