Dear Mr Schneck,

I am emailing to express the need for a landscaping scheme. I need to issue a decision by Friday so I will need the plan by then or will have to refuse the request for the condition to be discharged.

I look forward to your response.

Kind regards,

Finlay Gardner

Dear Mr Schnecker,

I am writing to you with regards to the discharge of condition 10 and the landscaping scheme. The application is now significantly past the expiry date and needs to have a decision. The lack of information on the application means that it would be refused. If this is the case then if you were to want to have it discharged at a later date then there would be another fee for a discharge of condition application. I am pressed to make a decision as soon as possible as putting an application on hold is not an available option.

Any information that you can give me on the application will be appreciated.

Kind regards,

Finlay Gardner
