Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: A/109/20/RES

Site Address: Land South of Water Lane Angmering

Description of works: Approval of reserved matters following outline consent A/99/17/OUT for 175 No dwellings & associated infrastructure. This application may affect the setting of a listed building, may affect the character & appearance of the Angmering Conservation Area & falls within Strategic Site SD9, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 1st September 2020 which has been recorded as an objection with the comments as follows:

OWPC29327

Density on new plan is greater than the 1st proposal adjoining the homes on the North side of the Avenals. This will increase noise. We had a clear view to the downs before as there was two adjoining gardens in previous plan, now there is a house, the roof line blocking our view from our bungalow. We had no objection to the original plan but we have now. As our garden has a brick & flint wall to east and west we would request a suitable wall to our rear adjoining the development.

Your views as made above will be considered before the application is determined.
