Dear Sir/Madam,

**The Town & Country Planning Act 1990 (as amended)**  
**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6**

Application No: A/109/20/RES  
Site Address: Land South of Water Lane Angmering  
Description of works: Approval of reserved matters following outline consent A/99/17/OUT for 175 No dwellings & associated infrastructure. This application may affect the setting of a listed building, may affect the character & appearance of the Angmering Conservation Area & falls within Strategic Site SD9, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 3rd September 2020 which has been recorded as an objection with the comments as follows:

OWPC29380

Whilst I appreciate the recently submitted plans have moved the proposed dwellings further from the properties in The Avenals compared to the illustrative plan, the overall design seems to have changed to a standard densely packed housing estate. The 'Sussex Village' is supposedly a link into the conservation area, and would have hoped it would include larger plots with more green space and thoughtfully designed properties to reflect this.

I am also concerned about the boundary treatment between the Avenals and the proposed development. It is suggested that views of it from my property would be limited to upper floor windows. This is incorrect and I look directly onto the plot from my garden and ground floor windows, with little privacy. There does not seem to be any proposed fence only a native hedge being retained/enhanced along half the boundary. I am all in favour of keeping and enhancing the hedging to encourage wildlife to remain in the area, but a native hedge would offer no privacy in the winter months and would essentially mean looking into each others gardens with no privacy or security. I would be much more in favour if a fence were to be erected on the new developments side with hedging retained/enhanced behind this to provide a protected corridor for current/future wildlife.

Your views as made above will be considered before the application is determined.
