Thank you for your internet representation made on 4th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29406

This application is outstandingly bad. It completely goes against the style and design of this old village. The drainage problems will be seriously increased for the village. The concept of flats at the entrance to the village is simply outrageous. The schools and Doctors are incapable of meeting current demands and cannot cope with this number of new properties. Traffic, parking open spaces are badly considered. The entire scheme is misjudged and cannot in all common sense be thought to be appropriate on the site.

Your views as made above will be considered before the application is determined.
