Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: A/109/20/RES
Site Address: Land South of Water Lane Angmering
Description of works: Approval of reserved matters following outline consent A/99/17/OUT for 175 No dwellings & associated infrastructure. This application may affect the setting of a listed building, may affect the character & appearance of the Angmering Conservation Area & falls within Strategic Site SD9, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 4th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29408

I strongly object to the proposed development south of water lane. The density and design of the development is not in keeping with the sensitive setting within the village and adjacent conservation area and listed buildings.

I also object the the proposed housing on the boundary with The Avenals. On the previous illustrative plan these houses were side on (although still far too close to the boundary), limiting views from these properties into ours. The proposals will mean our garden and rooms will now be seriously overlooked leading to a loss of privacy which we previously enjoyed. This would be the same situation for the other properties along this boundary, which are predominantly bungalows allowing views to the downs.

Your views as made above will be considered before the application is determined.
