Dear Mrs Herr,

**Town & Country Planning Act 1990 (as amended)  
Town and Country Planning (Development Management Procedure) (England) Order 2015**

**Application for Planning Permission**

**Development:** Replacement of 9 No existing sash timber windows and 1 No door on front elevation and 1 No fire door with uPVC. This application affects the Angmering Conservation Area and is in CIL Zone 2 (Zero Rated) as other development.

**Location:** Corner House The Square Angmering BN16 4EA

Thank you for your recent application which I received on 26th January 2026. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

**Location Plan**

Please red edge the application site.

**Block Plan**

Please clearly highlight the proposed works.

Please confirm the amended description is accurate and satisfactory.

**Biodiversity Enhancement Statement**

Please submit a Biodiversity Enhancement Statement. This is a local validation requirement completely separate to the Biodiversity Net Gain requirements and as a minimum, it should state how the application seeks to protect and improve the existing on-site natural environment. Please refer to the validation requirements list for further information.

For further detailed information on validation requirements please go to our website and refer to the

requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: [planning.responses@arun.gov.uk](mailto:planning.responses@arun.gov.uk) with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **10th February 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**
