Application No: A/10/26/PL

Description of works: Replacement of 9 No existing sash timber windows and 1 No door front and 1 No fire door with uPVC. This application affects the Angmering Conservation Area and is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 13th February 2026 which has been recorded as an objection with the comments as follows:

OWPC81355

Further to my previous objection and comments I would like to point out to ADC Planning that the date for comments to be received is 26th February 2026 BUT this application is set to be heard and possible decided on at the planning meeting on 18th February 2026 nine (9) days prior to all possible comments to be received and considered. This begs the question "What is going on at ADC"

Your views as made above will be considered before the application is determined.

The website is updated once a day in the evening so it may take up to 24 hours for it appear on there.
