9th June 2017

Dear Mr Mike Broughton

Development:

Removal of large Leylandii tree of low amenity value. This tree is inappropriate in this area and has been allowed to grow far too large for its location. It is crowding an adjacent magnificent holm oak tree and I do not wish the oak to be adversely affected. The leylandii needs to be removed for it becomes an even bigger problem. There is a beech tree close by in addition to the adjacent holm oak, and so it would not be appropriate to replace with another tree.

Location:

Manor House Mulberry Hollow ANGMERING
