Having considered the additional enhancement measures as proposed within the updated Ecological Impact Assessment report, we withdrew our objections provided the measures are conditioned should planning permission be granted and are implemented in their entirety.

Hi Beth,

Are you satisfied with the biodiversity net gains (i.e. ecological enhancements) identified in the Ecological Impact Assessment with Phase 2 Bat Survey Work (August 2021) for **A/110/12/PL**?

Are you prepared to withdraw your objection?

Kind regards,

Michael
