3 Description of Development

Erection of retirement apartment with 20 No. 1 Bed flats & 13 No.2 Bed flats with communal facilities & car parking, erection of a retail store with car parking & associated highway works. This application affect the character & appearance of the Angmering Conservation area, affects the setting of listed buildings and is in CIL Zone 2 (Zero Rated) as other development.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **REFUSE** to approve the development as described in the application and plans for the reasons stated.

- 1 The proposed development fails to provide on-site affordable housing and fails to provide robust viability evidence for the provision of affordable housing off-site by way of a commuted sum of a proportionate sum (i.e. more than £50,418), in conflict with Policy AH SP2 of the Arun Local Plan and the National Planning Policy Framework (2021).
- 2 The residential development comprises a density of 75 dwellings per hectare which constitutes over-development of the site, with insufficient on-site vehicle parking and cycle parking provision. There would be less than substantial harm to the Angmering Conservation Area and 'Eachways' Grade II Listed Building but the public benefits of the proposed development do not sufficiently outweigh the harm caused to these Heritage Assets due to the over-development of the site; and the scale, massing and appearance of the proposed building would appear bulky, out of scale and out of keeping with the character and appearance of these Heritage Assets. Consequently, the proposed development is contrary to Policy D DM1, Policy D SP1, Policy H DM2(d), Policy HER DM1, Policy HER SP1, Policy HER DM3 and Policy T SP1 of the Arun Local Local Plan, Policy EH1, Policy HA3, Policy HD2, Policy HD4, Policy HD5, Policy HD6, Policy HD7 and HD8 of the

Angmering Neighbourhood Plan, the National Planning Policy Framework (2021), the Arun Design Guide, the ADC Parking Standards SPD and Sections 66 and 72 of the Planning (Listed Building and Conservation Areas) Act 1990 (as amended).

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and determining the application within a timely manner, clearly setting out the reason(s) for refusal, allowing the Applicant the opportunity to consider the harm caused and whether or not it can be remedied by a revision to the proposal. The Local Planning Authority is willing to meet with the Applicant to discuss the best course of action and is also willing to provide pre-application advice in respect of any future application for a revised development.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
